

Company

Comprehensive Food Safety (CFS) provides food safety consulting, auditing and training to the food industry. The firm has decades of invaluable experience and provides critical food safety services. CFS partners with its clients to develop and implement world-class food safety management systems. CFS is an approved New York State Agriculture and Market training provider. CFS is a licensed SQF training center that provides public courses throughout the year, both onsite and at client locations.

Job Description

Comprehensive Food Safety, sister company to RK Environmental Services, has several direct hire positions for Food Safety Auditor / Consultants (Retail).

The ideal candidate should live in the NY metropolitan region (NJ, NY, possibly PA) and have a diverse background in the food safety auditing.

- CFS consultants work as employees or contractors for various retail markets
- We perform audits or inspections of facilities for compliance with food-safety standards
- Provide guidance on program direction and help develop and/or influence policies
- Partner with management team to build good retail practices
- Stimulate sustainable food safety culture
- Guide establishments towards compliance on all levels
- Communication directly with senior management and owner/operators
- Prepare guidance documents and policies
- Conduct certification and trainings for clients.

Desired Skills and Experience

- Ideal applicant will have a minimum of 2-5 years of food safety auditing experience.
- Audit experience is preferred.
- Retail food safety experience is a plus.
- B.S. degree preferred.
- Need to be able to work flexible hours.

Benefits:

- Compensation and commission potential is above industry standards.
- Attractive full benefit package
- 401K Plan with company match
- Company service vehicle
- Continuous training and education
- Opportunities for career advancement
